Hiring organization

Sibanye Stillwater

Employment Type

Internship

Duration of employment

18 Months

Date posted

October 29, 2019

Description

The Sibanye Stillwater has come up with New Internships 2020 in North West, South Africa. The Sibanye Stillwater Internship 2020 is available for those people who are willing to get internship jobs in South Africa.

Location: North West

Beneficiaries of the Internship programme will receive a 1½ year fixed-term employment contract to obtain post-graduate experience.

Sibanye-Stillwater is offering Internship programmes to community members who have obtained a tertiary qualification

Pre-screening and psychometric

evaluation may form part of the selection process. Shortlisted candidates will be requested to attend panel interview. Applicants who receive no response to their applications within 21 days may consider their application for the position to be unsuccessful.

Sibanye Stillwater is committed to the achievement and maintenance of adversity and equity in employment

Applicants Should have:

- Be in possession of a **relevant** qualification when applying for an Internship programme

Applicants must submit the following:

- Detailed Curriculum Vitae
- SAPS Certified Copies of ID and relevant qualifications
- Complete Academic Record
- Proof of Residence (fraudulent submissions will be excluded from applications)
- By submitting your CV, applicants are consenting to the Company's assessment and interview process
- Be declared medically fit for the position and environment, as determined by a risk-based medical examination at the relevant Sibanye-Stillwater Occupational Health Care Centre

Closing Date: 15 October 2019
